Exhibitor Profile

Why is it worth visiting our stand:

Difficult times call for special solutions. In our offer you will find the highest quality PVC windows - manufactured with demanding customers in mind. We offer you a wide range of PVC windows.

Description of our company:

The ATLANT company has been operating on the market since 2008. It is a well-known producer of PVC and ALU window and door joinery in Podlasie. ATLANT products are valued not only in Poland, but also in European Union countries: Poland, Slovakia,

Hungary, the Czech Republic, Lithuania, Latvia, Estonia. The company's offer includes windows, balcony doors, entrance doors and accessories. ATLANT windows use fittings from the renowned German company ROTO, which focuses on renovation.

The high-quality hardware system used in our windows meets the highest safety requirements.

The brands we represent:

Windows, Doors, HST System, Accessories, Veneer color selection, WITAL, ROTO, VBH, BOJAR, KABAN, ESKA, WKREŃ-MED
